MANAGED BY
YTL STARHILL GLOBAL REIT MANAGEMENT LIMITED
(Company Registration Number 200502123C)

22 September 2023

To: The Unitholders of Starhill Global Real Estate Investment Trust

Dear Sir/Madam

1 INTRODUCTION

1.1 Summary

We refer to the proposed Ordinary Resolution 8 ("**Resolution 8**") under the "Special Business" section of the notice dated 22 September 2023 (the "**Notice of AGM**") convening the annual general meeting of Starhill Global Real Estate Investment Trust ("**SGR**") to be held at 333 Orchard Road, Hilton Singapore Orchard, Grand Ballroom, Level 6, Orchard Wing, Singapore 238867, on Friday, 27 October 2023 at 11.00 a.m. ("**AGM**").

Ordinary Resolution 8 relates to the proposed renewal of the unit buy-back mandate of YTL Starhill Global REIT Management Limited, as manager of Starhill Global REIT (the "**Manager**"). The Manager's existing mandate to exercise its powers to procure the repurchases of units in SGR ("**Units**") for and on behalf of SGR without the prior specific approval of the holders of Units ("**Unitholders**") in a general meeting was approved by Unitholders at the annual general meeting of SGR that was held on 27 October 2022, and such mandate expires on 27 October 2023, being the date of the AGM. In this regard, the Manager seeks approval from Unitholders at the AGM in relation to the renewal of the mandate to exercise its powers to procure the repurchases of Units for and on behalf of SGR without the prior specific approval of Unitholders in a general meeting (the "**Unit Buy-Back Mandate**").

1.2 This Letter

The purpose of this Letter is to provide Unitholders with information relating to the above proposal which will be tabled at the AGM.

1.3 Advice to Unitholders

Unitholders should note that by approving the resolution relating to the Unit Buy-Back Mandate, they will be renewing the authority of the Manager to procure the repurchases of Units on the terms and conditions set out in paragraph 2 of this Letter and in accordance with all applicable laws and regulations, including but not limited to the provisions of the Trust Deed and the Listing Manual.

(See "The Proposed Renewal of the Unit Buy-Back Mandate" in paragraph 2 of this Letter for further details.)

If a Unitholder is in any doubt as to the action he should take, he should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

1.4 Singapore Exchange Securities Trading Limited (the “SGX-ST”)

The SGX-ST assumes no responsibility for the accuracy of any statements or opinions made, or reports contained, in this Letter.

2 THE PROPOSED RENEWAL OF THE UNIT BUY-BACK MANDATE

2.1 Rationale for the Unit Buy-Back Mandate

The approval of the renewal of the Unit Buy-Back Mandate authorising the Manager to repurchase Units for and on behalf of SGR would give the Manager the flexibility to undertake repurchases of Units (“**Unit Buy-Back**”) of up to the 2.5% limit described in paragraph 2.2.1 of this Letter at any time, during the period when the Unit Buy-Back Mandate is in force.

The rationale for seeking the Unit Buy-Back Mandate is as follows:

- (i) the Unit Buy-Back Mandate would be a flexible and cost-effective capital management tool to enhance return on equity for Unitholders and/or the net asset value (“**NAV**”) per Unit; and
- (ii) the Unit Buy-Back Mandate, when exercised at appropriate times, would help mitigate short-term market volatility, offset the effects of short-term speculative trading of the Units and bolster market confidence in the Units.

While the Unit Buy-Back Mandate would authorise Unit Buy-Backs of up to the said 2.5% limit during the period when the Unit Buy-Back Mandate is in force, Unitholders should note that the Manager may not necessarily repurchase Units, and Unit Buy-Backs may not necessarily be carried out to the entire 2.5% limit as authorised by Unitholders.

Repurchases of Units will be made only when the Manager considers it to be in the best interests of SGR and the Unitholders.

Rule 723 of the Listing Manual requires SGR to ensure that at least 10.0% of its Units are at all times held by the public (the “**Public Float**”). As at 24 August 2023, being the latest practicable date prior to the issuance of this Letter (the “**Latest Practicable Date**”), the Public Float is approximately 62%, and accordingly, the Manager is of the view that the orderly trading and the listing status of the Units on the SGX-ST is not likely to be affected by the Unitholders’ approval of the Unit Buy-Back Mandate and the repurchases of Units thereunder.

2.2 Authority and Limits on the Unit Buy-Back Mandate

The authority conferred on the Manager and the limits placed on the repurchases of Units by the Manager under the Unit Buy-Back Mandate are set out below:

2.2.1 Maximum Limit

The total number of Units which may be repurchased pursuant to the Unit Buy-Back Mandate is limited to that number of Units representing not more than 2.5% of the total number of issued Units as at the date of the AGM.⁽¹⁾

⁽¹⁾ Pursuant to the Listing Manual, a unit buy-back shall not exceed 10.0% of the total number of issued units excluding treasury units and subsidiary holdings in each class as at the date of the resolution passed by unitholders for the unit buy-back. For the avoidance of doubt, SGR does not hold any treasury units and there are no subsidiary holdings as none of the subsidiaries of SGR hold any Units. There is also only one class of units in SGR.

FOR ILLUSTRATIVE PURPOSES ONLY: On the basis of 2,255,820,673 Units in issue as at the Latest Practicable Date, and assuming that no further Units are issued on or prior to the AGM at which the Unit Buy-Back Mandate is approved, not more than 56,395,516 Units (representing 2.5% of the issued Units) may be repurchased by the Manager pursuant to the Unit Buy-Back Mandate during the Mandate Duration (as defined herein).

2.2.2 *Duration of Authority*

Unless revoked or varied by Unitholders in a general meeting, the Unit Buy-Back Mandate, if approved by Unitholders, will be in force from the period commencing from the date on which the AGM is held and the Unit Buy-Back Mandate is approved and expiring on the earliest of the following dates:

- (i) the date on which the next annual general meeting of SGR is held;
- (ii) the date by which the next annual general meeting of SGR is required by applicable laws and regulations or the provisions of the Trust Deed to be held; or
- (iii) the date on which the repurchases of Units by the Manager pursuant to the Unit Buy-Back Mandate are carried out to the full extent mandated,

(the “**Mandate Duration**”).

Under the Trust Deed and the prevailing laws and regulations of Singapore, SGR is required to convene an annual general meeting of Unitholders once every calendar year and not more than 15 months after the holding of the last preceding annual general meeting, and in any case within four months from the financial year end of SGR.

The authority conferred on the Manager under the Unit Buy-Back Mandate to repurchase Units may be renewed at the next annual general meeting of Unitholders. When seeking the approval of Unitholders for any subsequent Unit buy-back mandate, the Manager shall disclose details of each Unit buy-back made during the Mandate Duration in respect of the Unit buy-back mandate immediately preceding such Unit buy-back mandate being sought, including the total number of Units repurchased, the repurchase price per Unit or the highest and lowest prices paid for such repurchases of Units, where relevant, and the total consideration paid for such repurchases.

2.2.3 *Manner of Repurchase*

Repurchases of Units may be made by way of:

- (i) market repurchase(s) (“**Market Repurchases**”); and/or
- (ii) off-market repurchase(s) (“**Off-Market Repurchases**”).

Market Repurchases refer to repurchases of Units by the Manager effected on the SGX-ST and/or, as the case may be, such other stock exchange for the time being on which the Units may be listed and quoted, through one or more duly licensed stockbrokers appointed by the Manager for the purpose.

Off-Market Repurchases refer to repurchases of Units by the Manager (which are not Market Repurchases) made under an equal access scheme or schemes for the repurchase of Units from Unitholders in accordance with the Trust Deed. In this regard, an Off-Market Repurchase must satisfy all the following conditions:

- (i) offers for the repurchase or acquisition of Units shall be made to every person who holds Units to repurchase or acquire the same percentage of their Units;
- (ii) all of the above-mentioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (a) differences in consideration attributable to the fact that offers may relate to Units with different accrued distribution entitlements;
 - (b) differences in consideration attributable to the fact that the offers may relate to Units with different amounts remaining unpaid; and
 - (c) differences in the offers introduced solely to ensure that each Unitholder is left with a whole number of Units.

Additionally, the Listing Manual provides that, in making an Off-Market Repurchase, the Manager must issue an offer document to all Unitholders which must contain, *inter alia*:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Unit repurchases;
- (iv) the consequences, if any, of Unit repurchases by the Manager that will arise under the Singapore Code on Take-overs and Mergers (the “**Code**”) or other applicable takeover rules;
- (v) whether the Unit repurchases, if made, could affect the listing of the Units on the SGX-ST;
- (vi) details of any Unit repurchases made by the Manager in the previous 12 months (whether Market Repurchases or Off-Market Repurchases in accordance with an equal access scheme), giving the total number of Units repurchased, the repurchase price per Unit or the highest and lowest prices paid for the repurchases, where relevant, and the total consideration paid for the repurchases; and
- (vii) whether the Units repurchased by the Manager will be cancelled or kept as treasury Units.

2.2.4 Repurchase Price

The Manager has the discretion to determine the repurchase price for a repurchase of Units under a Unit buy-back mandate, subject to such repurchase price not exceeding 105.0% of the Average Closing Price (as defined herein) of the Units (the “**Maximum Price**”) for both a Market Repurchase and an Off-Market Repurchase, excluding Related Expenses of such repurchase.

For the purposes of this paragraph 2.2.4:

“**Average Closing Price**” means the average of the closing market prices of the Units over the last five Market Days (as defined herein), on which transactions in the Units were recorded, immediately preceding the date of the Market Repurchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Repurchase, and deemed to be adjusted for any corporate action that occurs during the relevant five Market Days and the date on which the Market Repurchase(s) are made or, as the case may be, the date of the making of the offer pursuant to the Off-Market Repurchase(s).

“**date of the making of the offer**” means the date on which the Manager makes an offer for an Off-Market Repurchase, stating therein the repurchase price (which shall not be more than the Maximum Price for an Off-Market Repurchase calculated on the foregoing basis) for each Unit and the relevant terms of the equal access scheme for effecting the Off-Market Repurchase.

2.3 Status of Repurchased Units

Under the Trust Deed, a Unit repurchased by way of a Unit buy-back shall be deemed cancelled immediately on repurchase (and all rights and privileges attached to such Unit will expire on such cancellation).

2.4 Reporting Requirements

Rule 886 of the Listing Manual specifies that an issuer shall notify the SGX-ST of all repurchases or acquisitions of its Units not later than 9.00 a.m.:

- (i) in the case of a Market Repurchase, on the Market Day following the day on which the Market Repurchase was made; or
- (ii) in the case of an Off-Market Repurchase under an equal access scheme, on the second Market Day after the close of acceptance of the offer for the Off-Market Repurchase.

The notification of any such repurchases of Units to the SGX-ST (in the form of an announcement on the SGXNet) shall be in such form and shall include such details as the SGX-ST may prescribe.

The Manager shall make arrangements with the appointed stockbrokers and/or custodians to ensure that they provide the Manager in a timely fashion the necessary information which will enable the Manager to make the notifications to the SGX-ST.

2.5 Sources of Funds

The Manager may only apply funds for the repurchase of Units as provided in the Trust Deed and in accordance with the applicable laws and regulations in Singapore. The Manager may not repurchase Units for a consideration other than in cash.

The Manager may utilise SGR's internal sources of funds, external borrowings or a combination of both to finance the Manager's repurchase of Units on behalf of SGR pursuant to the Unit Buy-Back Mandate, subject always to the requirements of the applicable laws and/or regulations in force at the relevant time.

2.6 Financial Effects

It is not possible for the Manager to calculate realistically or quantify the impact of repurchases of Units that may be made pursuant to the Unit Buy-Back Mandate on the NAV per Unit and distribution per Unit as the resultant effect would depend on, among others, the aggregate number of Units repurchased and the repurchase prices paid for such Units.

SGR's total number of issued Units will be diminished by the total number of Units repurchased by way of a Unit Buy-Back as such Units will be cancelled.

The Manager will only exercise the Unit Buy-Back Mandate when it considers it to be in the best interests of SGR and the Unitholders. The Manager will consider factors such as the working capital requirements, availability of financial resources, the investment and growth strategies of SGR and the prevailing market conditions before repurchasing Units under the Unit Buy-Back Mandate. The Manager does not intend to exercise the Unit Buy-Back Mandate to such an extent as would have a material adverse effect on the financial position of SGR.

FOR ILLUSTRATIVE PURPOSES ONLY: The financial effects of a Unit buy-back on SGR are based on the assumptions set out below:

- (i) 56,395,516 Units (representing approximately 2.5% of the issued Units as at the Latest Practicable Date) are repurchased by the Manager pursuant to the Unit Buy-Back Mandate on 1 July 2022;
- (ii) 2,255,820,673 Units are in issue as at the Latest Practicable Date (assuming no further Units are issued on or prior to the AGM at which the Unit Buy-Back Mandate is approved);
- (iii) Units are repurchased by the Manager at the Maximum Price of S\$0.51 per Unit (being 105.0% of the Average Closing Price of the Units immediately preceding the Latest Practicable Date), and accordingly, the maximum amount of funds required for the repurchase of the 56,395,516 Units, representing 2.5% of the issued Units as at the Latest Practicable Date (excluding Related Expenses) is approximately S\$28.8 million;
- (iv) the Unit Buy-Back Mandate has been effective since 1 July 2022;
- (v) all Units repurchased under the Unit Buy-Back Mandate are cancelled;
- (vi) the repurchases of Units are funded solely by external non-current borrowings at interest cost of approximately 5.0% per annum; and
- (vii) SGR's frequency of distribution to Unitholders is on a semi-annual basis.

Based on the assumptions set out above, the financial effects of the repurchase of 56,395,516 Units (representing 2.5% of the issued Units as at the Latest Practicable Date) by the Manager pursuant to the Unit Buy-Back Mandate by way of (A) Market Repurchases and (B) Off-Market Repurchases, are set out below based on the audited consolidated financial statements of SGR and its subsidiaries (the “SGR Group”) for the financial year ended 30 June 2023 (“FY2022/23” and the audited consolidated financial statements of the SGR Group for FY2022/23, the “FY2022/23 Audited Financial Statements”):

	FY2022/23 Audited Financial Statements	Pro forma financial effects of market and off-market Unit repurchases on the FY2022/23 Audited Financial Statements
Net Assets attributable to Unitholders (S\$ million)	1,649.5	1,619.3
Current Assets (S\$ million)	72.5	71.0
Current Liabilities (S\$ million)	41.0	41.0
Number of issued Units (as at the Latest Practicable Date) (million)	2,255.8	2,199.4
Financial Ratios		
Adjusted NAV per Unit (excluding outstanding distributable income) (S\$)	0.71	0.72
Distribution per Unit (cents)	3.80	3.83
Aggregate Leverage (%)	36.7	37.7

Unitholders should note that the financial effects set out in the table above are based on the FY2022/23 Audited Financial Statements and are presented strictly for illustrative purposes only. The results of the SGR Group for FY2022/23 may not be representative of future performance. Although the Unit Buy-Back Mandate would authorise the Manager to repurchase up to 2.5% of the total number of issued Units, the Manager may not necessarily repurchase the entire 2.5% of the total number of issued Units at any time while the Unit Buy-Back Mandate is in force.

2.7 Taxation

Unitholders who are in doubt as to their respective tax positions or the tax implications of Unit repurchases by the Manager, or, who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.8 Units Repurchased by the Manager

As at the Latest Practicable Date, the Manager has not repurchased any Units under the existing Unit buy-back mandate immediately preceding the AGM.

2.9 Black-Out Periods

The Manager will not repurchase any Units for and on behalf of SGR at any time after a material price sensitive development has occurred or has been the subject of a decision until such time the price sensitive information has been publicly announced. In addition, the Manager will not repurchase Units for and on behalf of SGR during the period commencing one month before the announcement of the SGR Group half year and full year financial statements. Additionally, the Manager will not repurchase Units for and on behalf of SGR during the period commencing two weeks before the announcement of the SGR Group first quarter and third quarter voluntary business updates.

2.10 Take-over Implications

The circumstances under which Unitholders and persons acting in concert with them will incur an obligation to make a mandatory take-over offer under Rule 14 of the Code after a repurchase of Units by the Manager are set out in Appendix 2 of the Code. The take-over implications which may arise from any repurchase by the Manager of Units by way of a Unit buy-back are set out below.

2.10.1 *Obligation to make a Take-over Offer*

If, as a result of any repurchase by the Manager of the Units, the proportionate interest in the voting rights of a Unitholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Code. Consequently, a Unitholder or a group of Unitholders acting in concert could obtain or consolidate effective control of SGR and become obliged to make a mandatory take-over offer under Rule 14 of the Code.

2.10.2 *Persons Acting in Concert*

Applying the Code to SGR, to the extent possible, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of Units (or otherwise), to obtain or consolidate effective control of SGR.

Unless the contrary is established, the following persons, among others, will be presumed to be acting in concert, namely:

- (i) the following companies:
 - (a) a company (“**(A)**”);
 - (b) the parent company of (A) (“**(B)**”);
 - (c) the subsidiaries of (A) (each, “**(C)**”);
 - (d) the fellow subsidiaries of (A) (each, “**(D)**”);
 - (e) the associated companies of any of (A), (B), (C), or (D) (each, “**(E)**”);
 - (f) companies whose associated companies include any of (A), (B), (C), (D) or (E); and
 - (g) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights; and
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

For this purpose, a company is an “**associated company**” (as defined in the Code) of another company if the second company owns or controls at least 20.0% but not more than 50.0% of the voting rights of the first-mentioned company.

2.10.3 Effect of Rule 14 and Appendix 2 of the Code

In general terms, the effect of Rule 14 and Appendix 2 of the Code is that, unless exempted⁽²⁾, Unitholders and/or persons acting in concert with them will incur an obligation to make a mandatory take-over offer under Rule 14 of the Code if, as a result of the Manager repurchasing Units by way of a Unit buy-back, the voting rights of such Unitholders and/or their concert parties would increase to 30.0% or more, or in the event that such Unitholders and/or their concert parties hold between 30.0% and 50.0% of the voting rights in SGR, if the voting rights of such Unitholders and/or their concert parties would increase by more than 1.0% in any period of six months.

Under Appendix 2 of the Code, a Unitholder not acting in concert with the directors of the Manager ("**Directors**") will not be required to make a mandatory take-over offer under Rule 14 of the Code if, as a result of the Manager repurchasing Units by way of a Unit buy-back, the voting rights of such Unitholder would increase to 30.0% or more, or, if such Unitholder holds between 30.0% and 50.0% of the voting rights in SGR, the voting rights of such Unitholder would increase by more than 1.0% in any period of six months. Such Unitholder need not abstain from voting in respect of the resolution relating to the Unit Buy-Back Mandate.

Based on the interests of the Substantial Unitholders (as defined herein) in Units recorded in the Register of Substantial Unitholders and information available to the Manager as at the Latest Practicable Date and before the purchase of Units, YTL Corporation Berhad and parties acting in concert with it (the "**YTL Group**") have unitholdings (direct and deemed) of 862,796,617 Units (38.25%).

The unitholdings of YTL Group after the repurchase of Units assuming:

- (a) the Manager purchases 56,395,516 Units, being the maximum limit of 2.5% of the issued Units under the Unit Buy-Back Mandate; and
- (b) there is no other change in the number of Units held by the YTL Group as at the Latest Practicable Date,

will be 862,796,617 Units (39.23%).

In the above illustration, as at the Latest Practicable Date, the voting rights of the YTL Group may increase from 38.25% to 39.23% in the event the Manager purchases 56,395,516 Units, being the maximum limit of 2.5% of the issued Units under the Unit Buy-Back Mandate. In the event that YTL Corporation Berhad's and its concert parties' voting rights increase by more than 1.0% in any period of 6 months, the YTL Group will become obligated to make a mandatory take-over offer under Rule 14 of the Code.

The Manager intends to monitor and limit the extent of its repurchases under the Unit Buy-Back Mandate such that the voting rights of the YTL Group will not increase by more than 1.0% of the issued Units in any period of 6 months.

⁽²⁾ Unitholders and/or persons acting in concert with them will be exempt from the requirement to make a mandatory take-over offer under Rule 14 of the Code upon the satisfaction of the conditions set out in paragraph 3(a) of Appendix 2 of the Code.

Save as disclosed above, none of the Substantial Unitholders would become obliged to make a take-over offer for SGR under Rule 14 of the Code as a result of any repurchase of Units by the Manager pursuant to the Unit Buy-Back Mandate of the maximum limit of 2.5% of its issued Units as at the Latest Practicable Date.

Important:

The statements herein do not purport to be a comprehensive or exhaustive description of all the relevant provisions of, or all the implications that may arise under the Code. Unitholders are advised to consult their professional advisers and/or the Securities Industry Council at the earliest opportunity as to whether an obligation to make a mandatory take-over offer would arise by reason of any Unit repurchases by the Manager.

2.11 Unitholders' Approval

In view of the foregoing, the Manager is seeking the approval of Unitholders for the resolution relating to the renewal of the Unit Buy-Back Mandate.

Important:

Unitholders should note that by voting in favour of the resolution relating to the renewal of the Unit Buy-Back Mandate, they will be authorising the Manager to procure the repurchases of Units on the terms and conditions set out in paragraph 2 of this Letter and in accordance with the provisions of the Trust Deed and all applicable laws and regulations including, but not limited to the Listing Manual.

An investment in Units is subject to investment risks, including possible delays in repayment, loss of income or principal invested. The Manager and its affiliates do not guarantee the performance of Starhill Global REIT or the repayment of capital from Starhill Global REIT or any particular rate of return.

Unitholders have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the SGX-ST. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. The past performance of Starhill Global REIT is not indicative of the future performance of Starhill Global REIT. Similarly, the past performance of the Manager is not indicative of the future performance of the Manager.
